DETAILED ACTION

Allowable Subject Matter

1. Claims 41, 43-44 and 47-48 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to clearly teach a system and a method comprising, inter alia, *...a serialized data stream from a foreign network administrator, wherein the serialized data stream describes a cellular telephone call made by the local subscriber while the local subscriber was roaming in the foreign network, and wherein the serialized data stream includes a plurality of attributes defined in a format that is negotiated between the foreign network administrator and the local network administrator, wherein the attributes include "Field Type," "Length in Bytes," "Description," and "Buffer Position" for each data item in the serial data stream*, as substantially described and connected to amended independent claim 41, similar in the amended independent claim 44 and new independent claim 47.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2643
